### Listen & Speak 1

A: What are you watching?

B: *Good for Mind and Body*. It's a video about pets.

A: A video about pets?

B: Yes, come and \_\_\_\_\_. It has very interesting and \_\_\_\_\_ stories.

A: No, that's not for me. I'm not very interested in cats and dogs. I'm \_\_\_\_\_ pets.

B: Well, some pets are good for our health. That's what this video says.

A: I don't think so. I've heard that allergy-sensitive people should \_\_\_\_\_ from pets.

B: You're right. But pets are great for \_\_\_\_\_, which helps our mind and body.

### Listen & Speak 2

M: Susie, who are you talking \_\_\_\_\_?

W: Oh, it's my pet robot.

M: A pet robot?

W: Yes. He's really cute, and it's a lot of fun to play with him.

M: That's \_\_\_\_\_.

W: Haven't you heard about \_\_\_\_\_ robots?

M: No, I haven't.

W: OK. \_\_\_\_\_ something really interesting about them with you.

### Review

W: We're supposed to \_\_\_\_\_ what kinds of animals are used in experiments.

M: That's right.

W: I've heard that the \_\_\_\_\_ used animals are guinea pigs.

M: Are they? Where did you get that information?

W: I heard that from my brother. He is \_\_\_\_\_ in \_\_\_\_\_ in college. He showed me \_\_\_\_\_. I think we can begin the homework with it.

M: That \_\_\_\_\_ perfect.
