A month ago, Davinci's Italian restaurant almost closed down due to a decrease in sales. Although the owner, Mr. Davinci, spent a lot of money to improve the design of the restaurant, sales continued to decrease. Therefore, his wife suggested changing the background music from fast and loud jazz music to slower and softer piano music. With that change, people stayed longer, ordered more desserts and drinks, and spent more money. _____ (a) _____ Ms. Davinci suggested helped save the restaurant.
